

The Holley by the Sea Social Committee has been looking into some exciting new events for our community as well as some we have enjoyed in the past.

For the month of August we would like to know how many of you would be interested in joining us for a half day pontoon boat cruise on the inter coastal waterway from Navarre to Opal Beach. This cruise would be a week day event and can be morning or afternoon during the second or third week of the month. The boats have a capacity of twelve adults and would cost \$10.00 per person, coolers and picnic baskets will be loaded on board for you.

September's event is also a water trip to Crab Island in beautiful Destin where we will cruise and have lunch. The pontoon boats will seat twelve adults and children are welcome, some restrictions for kids under the age of six.

On Saturday the 8th of October our Fall Yard Sale will again be held on the grounds of Holley by the Sea from 7 until noon. \$5.00 for a space and \$10.00 for a space with table. The number of tables available is limited so sign up early!

November seems like a great time to hit the casino or daytime trip to Bellingrath Gardens, <http://www.bellingrath.org>, this trip could also include a forty five minute cruise on Fowl River if interested. Group rates are available and for an added cost we can arrange a bus to get us there should there be sufficient participation. Prices would start at \$20.00 for adults and \$12.00 for kids.

A casino trip would be an all-day adult function and we could go as a group utilizing bus transportation from Navarre.

Breakfast with Santa always a kid favorite will again be held at the Beach House on December 17th, a full menu along with photo ops with Santa who will arrive on a fire truck.

Magic Christmas in Lights at Bellingrath Gardens is a great way to start the Christmas season. Here is a great opportunity to enjoy an evening with the family at this area's finest Christmas light displays. The cost for adults is \$12.00 and kids are \$6.50 with discounts for groups of twenty or more. We would like to schedule a bus if enough people sign up early.

Please review the above information along with the web sites and give us your thoughts.

Respectfully,
