**I. Adult Art Classes:** Jessica Cotton gave an update on the adult art classes. Although there wasn't anyone registered for December, January classes are starting to fill. Jessica presented the idea of making a display of art work of HBTS participants at the rec center.

**II. Health Expo:** Donna Harris gave an update on the Health Fair which included a list of confirmed participants. She will forward this information to Missy Kern, via email, and it will then go on to Wendy to present the proposal to the board by email due to the cancelled board meeting. We still decided to go with the date of January 4<sup>th</sup>, from 2-6pm. Once this event is confirmed, we will promote via the website and fliers. We will need to determine the best time to set up the room for our participants...Saturday evening or Sunday morning. Participants may enter the rec center to set up their tables no earlier than 12:30 on January 4<sup>th</sup>.

**III. Personal Trainers:** To date, there has only been one resume sent for consideration. We will continue to collect additional resumes for discussion at our January meeting.

The next meeting scheduled for January 13<sup>th</sup> at 10am.
