Call to order

Approval of the Minutes: The minutes of the May 12th meeting were approved.

Current Business:

- I. **Personal Trainer Program:** Reviewed the resumes of two potential new trainers, Mandy Andre', and Michael Cegielski. Of the three trainers that we approved for the trainer spots, only one has followed through. Prior to this meeting, Wendy had mentioned there might be issues regarding that one trainer, so we decided to, once again, review resumes for trainer slots. Both trainers were at the meeting, and were given the HBTS CPT Rules and Regulations and the Fee Schedule. A question and answer session followed.
- II. **New Programs:** The following proposals were reviewed and approved for additional follow-up: Dive Club, Cake Decorating Club, Cooking Class, Strength and Stretch Class, and Fit in 5 Program. These are all 80/20 programs and will need to work around existing program times and dates. Each of these proposals will need follow-up to determine specific program details.

The next meeting will be June 23 at 2pm.
